

Work starts at Blaxland Road and First Avenue, Eastwood

The NSW Government is upgrading the Blaxland Road and First Avenue intersection. This work will ease congestion and improve traffic flow, travel times and road safety.

Roads and Maritime Services will be widening First Avenue around Ryedale Road to lengthen the left hand turn bay from First Avenue onto Blaxland Road.

We are also changing the lane markings on Blaxland Road to create a second right turning lane onto First Avenue.

Our work schedule

We will be working for up to **five nights a week** for **100 shifts** between **Monday 21 January** and the end of **November**, weather permitting.

Our work hours will be between **7am** and **6pm Monday to Friday**, **Saturday** between **8am** and **1pm** and between **6pm** and **7am Sunday to Friday**. We will not be working on public holidays.

Contact

If you have any questions please contact our delivery partner Ward Civil on 1300 919 508 or projects@wardcivil.com.au.

For more information on Roads and Maritime projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.

Explanation of our work schedule

We have designed our work schedule so the intersection upgrade can be completed as quickly as possible, limiting the impact on the local community. Work will be carried out during the day and at night to minimise traffic disruption and reduce health and safety risks to the workers.

If you have any questions or concerns about the night work schedule, please contact Ward Civil by Thursday 31 January at projects@wardcivil.com.au, 1300 919 508 or PO Box 1067 North Ryde BC 1670.

You will be kept informed as work progresses with updates and you will be notified of any changes to our work schedule.

How will the work affect you?

There may be some noise and disruption associated with this work including project vehicle movements, concreting and moving equipment. We will make every effort to minimise noise and disruption, for example, completing noisier tasks by midnight. We will also be providing residents with respite during prolonged night work.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Please keep to speed limits and follow signs and traffic controller directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW app.
