

Investigation work – Proposed intersection improvements to Centennial Avenue and Epping Road, Lane Cove

Roads and Maritime Services | February 2018

The NSW Government is funding this proposal as part of its \$300 million Urban Roads Pinch Point Program, which aims to reduce congestion and improve travel times on Sydney's busiest corridors.

Roads and Maritime Services would like to thank the community for their feedback on proposed improvements to the intersection of Centennial Avenue and Epping Road, Lane Cove.

In response to community feedback the consultation period was extended from Friday, 15 December, 2017 to Wednesday, 31 January, 2018. We are currently in the process of reviewing the community feedback and would like to thank the community for their input.

A community consultation report will be prepared responding to the feedback received and will be made available on our website. We will keep you updated as the proposal progresses.

Investigation work

To gather more information we will carry out small excavations to survey the position of underground utilities. The proposed work includes potholing in foot way areas, as well as some small road cores over utilities.

We have included a map to show the locations of the work.

Our work schedule

Investigation work is expected to commence **Monday, 12 February, 2018** and will take approximately **three weeks** to complete, weather permitting. Work will include **five night shifts** and **two day shifts**.

Our night shifts will be between **8pm** and **5am** from **Sunday** to **Friday**. Our day shifts will be between **7am** and **5pm** from **Monday** to **Friday**. We expect to complete the work by **Tuesday 6 March, 2018**.

How will the work affect you?

Our work will be noisy at times but we will do everything we can to minimise its impact, including completing the noisier activities by **midnight**.

Traffic changes

There will be some temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures may be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have feedback or concerns about the project or the proposed investigation schedule, please contact Roads and Maritime on 1800 572 004 or pinchpoint@rms.nsw.gov.au.

Thank you for your patience during this important work.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 572 004.
