

## Work starts at Centennial Avenue and Epping Road, Lane Cove

The NSW Government is upgrading the Centennial Avenue and Epping Road intersection. This upgrade will ease congestion and improve travel times.

Location of work at intersection of Centennial Avenue and Epping Road, Lane Cove

We will widen Centennial Avenue, adding a left hand turn lane from Centennial Avenue onto Epping Road, helping ease congestion, reduce travel times and make the intersection safer.

## Our work schedule

We will be working for up to **five nights a week** for **70 shifts** between **Monday 21 January** and the end of **November**, weather permitting. Our work hours will be between **7am and 6pm Monday to Friday**, **Saturday** between **8am and 1pm** and between **6pm and 7am Sunday to Friday**. We will not be working on public holidays.

## Contact

If you have any questions please contact our delivery partner Ward Civil on 1300 919 508 or [projects@wardcivil.com.au](mailto:projects@wardcivil.com.au).

Thank you for your patience during this important work.

## Explanation of our work schedule

We have designed our work schedule so the intersection upgrade can be completed as quickly as possible, limiting the impact on the local community. Most of the work will be carried out at night to minimise traffic disruption and reduce health and safety risks to the workers.

You will be kept informed as work progresses with updates and you will be notified of any changes to our work schedule.

## How will the work affect you?

There may be some noise and disruption associated with this work including project vehicle movements, concreting and moving equipment. We will make every effort to minimise noise and disruption, for example, completing noisier tasks by midnight. We will also be providing residents with respite during prolonged night work.

## Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Please keep to speed limits and follow signs and traffic controller directions. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW app.
