Intersection improvements on Cumberland Highway and Merrylands Road, Greystanes

Project update

Roads and Maritime Services | April 2018

The NSW Government is funding this work as part of its $300 million Urban Roads Pinch Points Program which aims to reduce congestion and improve travel times on Sydney's busiest corridors.

Roads and Maritime Services will be upgrading the intersection of Cumberland Highway and Merrylands Road, Greystanes. The project involves:

- installing dual right turn lanes east and westbound on Merrylands Road and northbound on Cumberland Highway
- removing an existing traffic island on Merrylands Road at the southeast corner of the intersection
- modifying the westbound bus bay on Merrylands Road
- installing barriers along Cumberland Highway on the south east corner of the intersection
- adjusting the central road medians on all approaches of the intersection to accommodate the new turning lanes
- realigning a left turn slip lane on the Cumberland Highway to accommodate the new intersection layout
- adjusting the existing traffic signals to support the new intersection
- adjusting footpaths and kerbs
- trimming and removing trees and shrubs.

This project aims to improve efficiency, safety and congestion on Sydney's road network.

We have included a map showing the location of work and our site compound.

Our work schedule

To complete the project, we will be on site for up to **six days** and **five nights a week** for up to **200 night shifts** and **180 day shifts** over a 60 week period, between **Monday, 14 May 2018** and **mid-2019**, weather permitting.

Our night work hours will be between **8pm** and **5am** from **Sunday** to **Friday**. Our day work hours will be between **7am** and **6pm** from **Monday** to **Friday** and between **8am** and **1pm** on **Saturdays**.

We will not be working on public holidays.

If you have any questions about the project or night work schedule, please send your comments to our delivery partner at nsw_projects@dmroads.com.au or:

DM Roads, Cumberland Highway and Merrylands Road, Greystanes
PO Box 6465
North Ryde, NSW, 2113

As part of this work we will need to set up a site compound at 35 Pavesi Street, Smithfield. The site compound will be used as a site office and to store material throughout the project.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by **midnight**.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

The west bound bus stop on Merrylands Road opposite Ringrose Avenue will be temporarily relocated approximately 40m west of the current bus stop throughout this project. The bus stop will re-open when the project is complete.

Lane closures will be in place and may affect travel times. Please keep to the speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 332 660.
