

Asbestos removal at Elizabeth Drive and Marsden Road, Liverpool from Thursday 21 March

Roads and Maritime Services is upgrading the intersection of Elizabeth Drive and Marsden Road, Liverpool as part of the Pinch Point Program which aims to ease congestion, reduce travel times and improve safety on major Sydney roads.

Roads and Maritime Services is currently upgrading the Elizabeth Drive and Marsden Road intersection at Liverpool. During our work we have discovered some amounts of bonded asbestos material within the work location near Elizabeth Drive and Marsden Road.

The asbestos will be safely removed to ensure there is no risk to the public. We are implementing an asbestos management plan which details safe work practices and will ensure all work is managed to strict Environment Protection Authority requirements.

Our work schedule

We will be on site for up to **5 day shifts** between **Thursday 21 March** and **Friday 29 March**, weather permitting.

Our night shift hours will be between **8pm** and **5am** from **Sunday** to **Thursday**. Our day shift hours will be between **7am** and **6pm**, from **Monday** to **Friday** and between **8am** and **1pm** on **Saturday**.

Contact

If you have any questions, please contact Roads and Maritime delivery partner, Ward Civil, on 1800 897 841 or hoxtoncomms@wardcivil.com.au

For more information on other Liverpool pinch point projects, visit rms.work/urbanpinchpoints.

Thank you for your patience during this important work.

How the work will affect you

We expect to find further asbestos containing material in the current work area highlighted in the map. We will continue to implement safe asbestos removal practices while this work continues until **Friday 29 March**. While we are removing the bonded asbestos we will be following strict safety precautions to ensure the safety of our workers and the local community.

Our work may be noisy at times, but we will do everything we can to minimise its impact. This includes completing the noisier tasks by midnight.

Ongoing asbestos monitoring

Further asbestos may be discovered as the project progresses. To ensure the safety of workers and the community, we will be isolating the work area with safety fences. Workers entering the site will be required to wear protective equipment.

If further asbestos is discovered as the project progresses and removal is required, we will let you know.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe. Lane closures will be in place and may affect travel times. Please keep to the speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.
