

## Extended working hours at Elizabeth Drive and Marsden Road, Liverpool from Friday 2 August

The NSW Government is upgrading the intersection of Elizabeth Drive and Marsden Road, Liverpool to ease congestion, reduce travel times and improve safety.

Roads and Maritime Services is upgrading the intersection of Elizabeth Drive and Marsden Road in Liverpool as part of our Pinch Point Program to reduce congestion and improve traffic flow and safety.

To reduce the impact of our work on the local community and road users, we will work a condensed schedule of weekend work at this intersection.

We will close access to Marsden Road from Elizabeth Drive during this time and will work 48-hours straight from **8pm Friday 2 August** until **8pm Sunday 4 August**. By working during this time, we will minimise traffic disruptions and reduce safety risks to our workers.

Our work activities will include:

- saw cutting
- jackhammering
- excavating road pavement
- resurfacing road pavement

We will also be accessing our site compounds on Park Road and Hoxton Park Road during this time.

## Our work schedule

Our work hours will be **24 hours a day between 8pm Friday 2 August and 8pm Sunday 4 August.**

We know this work will be disruptive, so we will not be working at night on **Thursday 1 August** and **Monday 5 August 2019** to offer the community respite.

## Traffic changes

There will be temporary traffic changes during our work to ensure the work zone is safe. Marsden Road will be closed and traffic will be redirected to Woodlands Road. Speed reductions will be in place for this time.

Local resident access will be maintained at all times.

Traffic management and signs will be in place to assist motorists with the changed conditions. Pedestrian access will be maintained at all times, although temporary detours may be in place.
