

## **Project update – Great Western Highway and Blacktown Road, Prospect**

**The NSW Government is funding this proposal as part of its \$300 million Urban Roads Pinch Point Program, which aims to reduce congestion and improve travel times on Sydney’s busiest corridors**

Roads and Maritime invited feedback on the proposal in October 2017. We received feedback from five community members and one response from local council (six responses in total) with two people supporting the proposal, one person supporting the proposal with conditions, and three people who did not state a preference. Key matters raised included:

- road user safety
- access to and from Fox Hill Crescent
- an off-road shared path.

We thank everyone for considering the proposal and for their feedback.

After considering all responses, along with the proposal’s aims and design requirements, we have decided to proceed with the proposal unchanged.

We thank everyone for considering the proposal and taking time to provide their feedback.

### **Next steps**

Roads and Maritime will finalise the detailed design and environmental assessment for the project.

We will continue to keep the community informed as the project progresses.

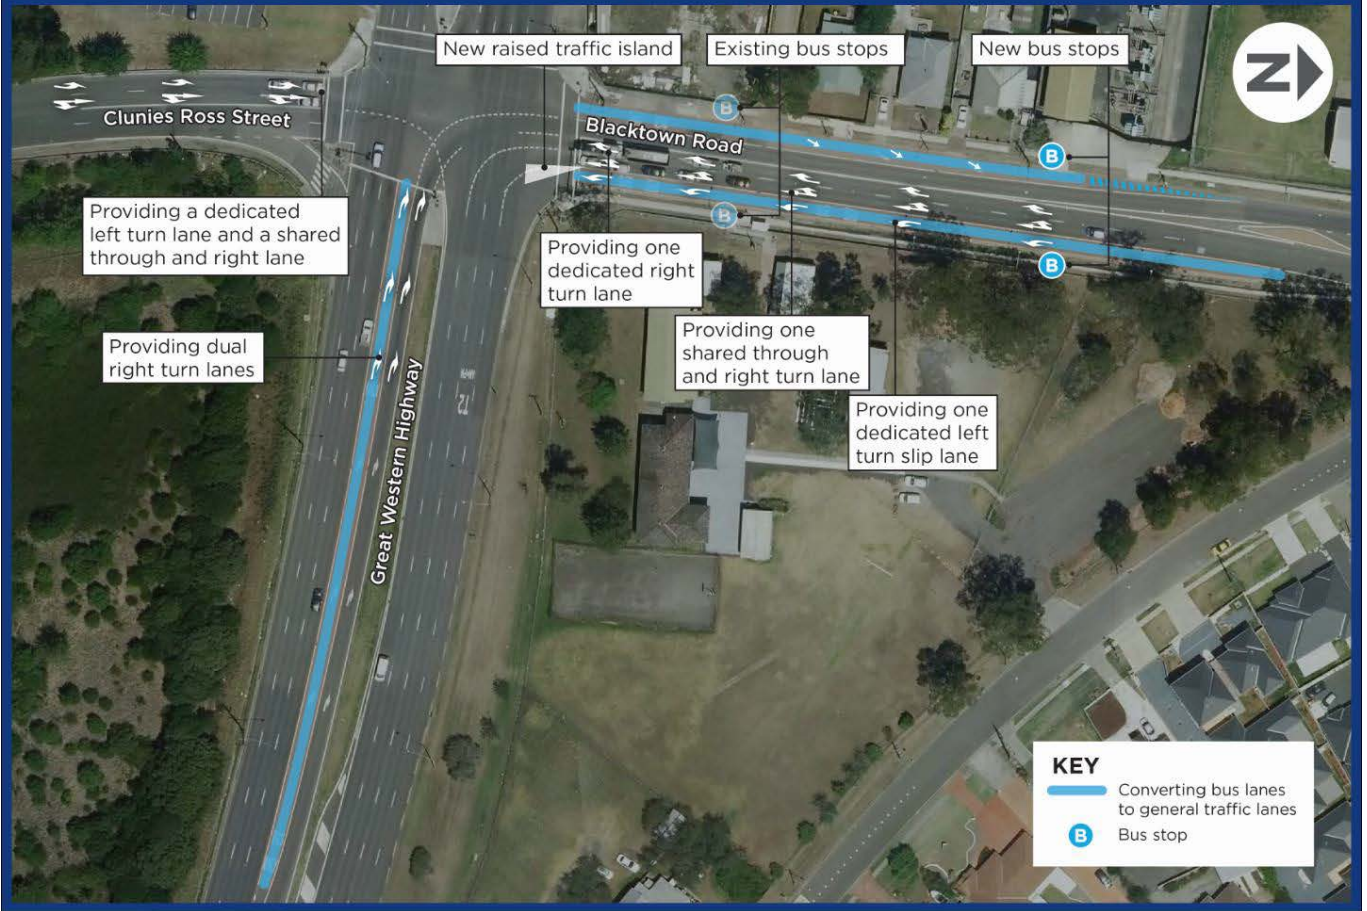

### **Contact**

If you have any questions, please contact our Project Manager, Martin Gormley, on 1800 572 004 or [pinchpoint@rms.nsw.gov.au](mailto:pinchpoint@rms.nsw.gov.au).
