

**Transport
for NSW**

Pacific Highway project between Turrumurra and Wahroonga

Return to work January 9 2022

Return to work

We would like to advise the project team will be stopping work at 5pm on Friday 24 December and will be back onsite from Sunday 9 January 2022.

Thank you for your ongoing patience during our work. Upgrading the intersections of Pacific Highway at Fox Valley Road and Redleaf Avenue in Wahroonga will improve the way you move in and around your local area.

We will continue to keep you updated as the project progresses.
