

Investigation work on Pacific Highway between Turramurra and Wahroonga from Monday 16 September

The NSW Government is working to ease congestion, increase safety and improve travel times on the Pacific Highway between Turramurra and Wahroonga as part of its \$300 million Urban Roads Pinch Points Program.

Work location on Pacific Highway between Turramurra and Wahroonga

Each day 60,000 motorists using the Pacific Highway between Turramurra and Wahroonga are experiencing heavy congestion and travel delays.

To help ease this congestion, Roads and Maritime Services are upgrading three intersections along the Pacific Highway at Finlay Road, Fox Valley Road and Redleaf Avenue and Coonanbarra Road.

As part of these upgrades, we need to carry out a routine range of investigations, including soil testing. We will carry out this soil testing along the Pacific Highway at Fox Valley Road, Coonanbarra Road, Munderah Street and Redleaf Avenue from **Monday 16 to Wednesday 18 September**.

The work will involve digging deep boreholes for soil testing but will not involve noisy activities such as saw cutting through concrete or jack hammering.

Our work schedule

We will be on site for three day shifts and two night shifts between **Monday 16 September** and **Wednesday 18 September** weather permitting. We will not work on public holidays.

Our day work hours will be between **7am** and **6pm** from **Monday** to. Our night work hours will be between **5pm** and **midnight**.

Contact

If you have any questions, please contact us on 1800 572 004 or pinchpoint@rms.nsw.gov.au

For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.

How will the work affect you?

We will do everything we can to minimise the impact of the work, including staging our work at different locations along the Pacific Highway.

Traffic changes

There may be temporary traffic changes resulting from partial lane closures during our work hours to ensure the work zone is safe. These lane closures if required may affect travel times.

Please keep to speed limits and follow signs and traffic controllers' directions. There may also be partial footpath closures.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
