BUILDING OUR FUTURE

October 2020

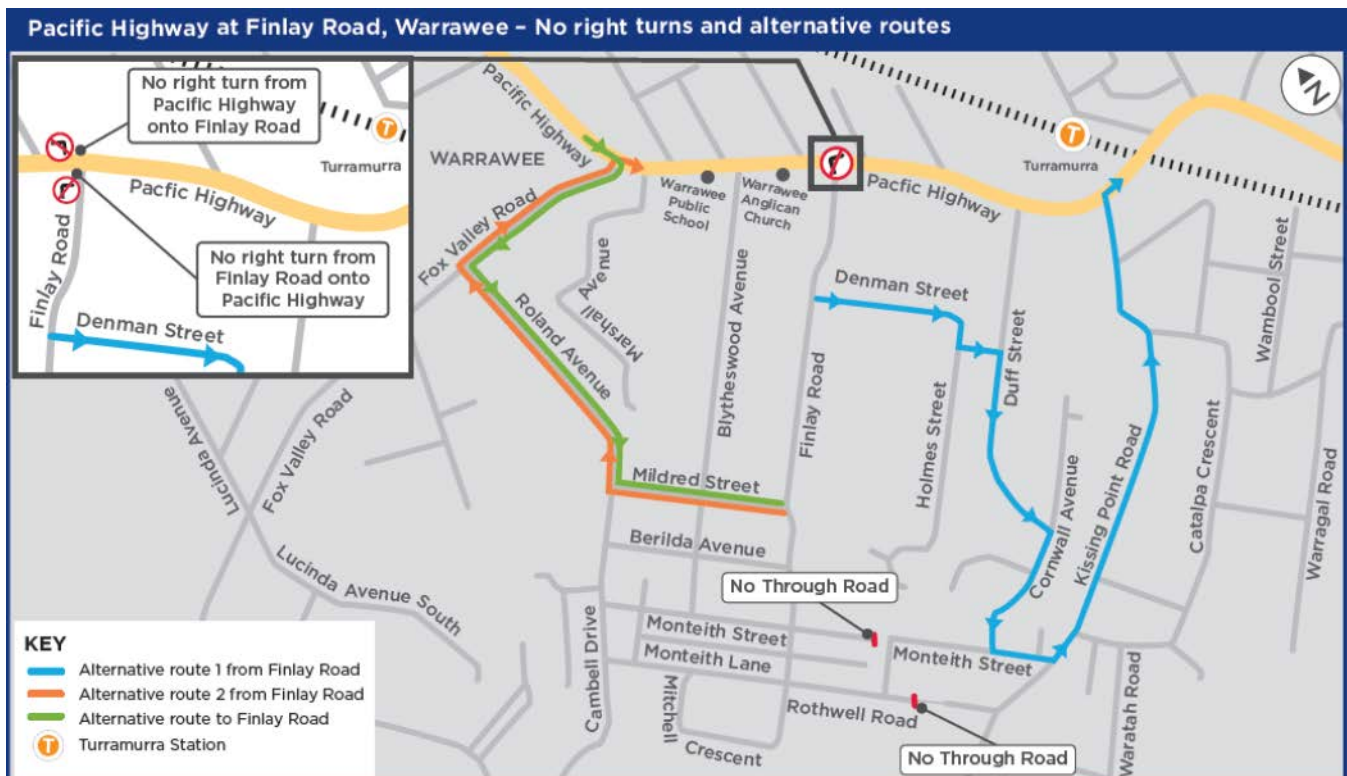

No right hand turn at the Pacific Highway and Finlay Road, Warrawee from Monday 2 November

The Australian Government and NSW Government are jointly funding the upgrade at the Pacific Highway and Finlay Road to ease congestion and improve traffic flow, travel times and road safety at this intersection.

In early October 2020, we started investigations at the intersection of the Pacific Highway and Finlay Road, Warrawee

As part of this intersection upgrade, we will be permanently banning right turns from the Pacific Highway onto Finlay Road and from Finlay Road onto the Pacific Highway. This ban will be effective from **Monday 2 November**.

This is necessary, so we can create three northbound through lanes at this intersection, by realigning the traffic lanes and installing a new road median.

No right turn ban

The permanent right turn bans at the intersection of the Pacific Highway and Finlay Road will be in place from **Monday 2 November 2020**.

Thank you for your patience during this important work.

How will the right turn bans affect you?

The permanent no right turns at the intersection of the Pacific Highway and Finlay Road is required for the intersection upgrade. We are implementing this ban early on so the upgrade can be completed as quickly as possible, limiting the impact on the local community.

Alternative routes

- For the **Pacific Highway onto Finlay Road** the alternative route is via Fox Valley Road and Roland Avenue.
- For the **Finlay Road onto the Pacific Highway**, the alternative route is via Denman Street, Duff Street, Cornwall Avenue and Kissing Point Road, or via Roland Avenue and Fox Valley Road.

Traffic changes
