

## Road work continuing on the Pacific Highway between Turramurra and Wahroonga

The NSW Government is funding improvements on the Pacific Highway at Redleaf Avenue and Fox Valley Road at Wahroonga. The Australian Government and NSW Government are jointly funding improvements on the Pacific Highway at Finlay Road at Turramurra.

In October 2020, Transport for NSW started work to upgrade these intersections on the Pacific Highway. So far we have:

### Redleaf Avenue and Fox Valley Road

- completed survey works
- started utility and road pavement investigations
- commenced minor utility adjustments
- started tree trimming and tree removal.

### Pacific Highway and Finlay Road

- completed investigations
- started road pavement works
- installed concrete median, kerb and gutter
- started concrete and asphalt works.

## Our work schedule

We will work **49 day shifts** and **50 night shifts** between **Monday 25 January** and **Wednesday 31 March**, weather permitting.

Our day work hours will be between **7am** and **6pm Monday to Friday** and **Saturday** between **8am** and **1pm**.

Our night work hours will be between **8pm** to **5am**, from **Sunday** to **Thursday**.

We will not work during the day on Sundays, or on public holidays.

Thank you for your patience during this important work.

Between January and March 2021, we will continue work upgrading the Pacific Highway at Finlay Road, Fox Valley Road and Redleaf Avenue. The intersection upgrade at Finlay Road is progressing well, with completion expected in early 2021.

Our next stage of works include:

### Redleaf Avenue and Fox Valley Road

- tree trimming and tree removal
- retaining wall construction
- major utility adjustments.

### Pacific Highway and Finlay Road

- asphaltting
- line marking
- installing road signs.

## How will the work affect you?

There will be noise and disruptions associated with our work. We will work with the community to minimise the impact, including implementing mitigation measures to reduce the impact of noisier tasks (such as jackhammering and concrete saw cutting) and completing these tasks before **midnight**.

We will inform you as work progresses and notify you of any changes to our work schedule

## Traffic changes

There will be temporary lane closures in place while we work to ensure the work area is safe for road users and our workers. There may also be partial closure of footpaths in the work areas and clearly marked pedestrian detours will be provided.

Please keep to speed limits and follow signs and traffic controller directions. For the latest traffic updates, call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW app.
