

Temporary closure of footpath on the Pacific Highway between Fox Valley Road and Myall Avenue from 21 November 2021

The NSW Government is funding improvements at intersections on the Pacific Highway at Redleaf Avenue, Coonanbarra Road and Fox Valley Road to ease congestion and improve traffic flow.

From **21 November 2021** until late **March 2022**, we will temporarily close the footpath on the western side of the Pacific Highway between Fox Valley Road and Myall Avenue at Wahroonga. This will allow for stormwater drainage upgrades, new pavement construction and footpath works.

The map below shows the section of footpath to be closed and pedestrian detour routes through existing walkways. We will make every effort to complete and reopen the footpath earlier than scheduled.

Our work schedule

We will carry out work requiring the footpath closure between **21 November 2021** and **March 2022**, weather permitting.

Our day work hours will be between **7am** and **6pm Monday to Friday** and **Saturday** between **8am** and **1pm**. Our night work hours will be from **Sunday to Thursday** between **8pm** to **5am** the next day. We will work up to five nights per week.

Thank you for your patience during this important work.

How will the work affect you?

The existing footpath on the Pacific Highway will be closed and a pedestrian detour will be in place on the opposite side of the road.

The pedestrian detour route includes safe pedestrian crossings at Ada Avenue and at Knox Grammar School, adjacent to 1610 Pacific Highway. There are also existing pedestrian walking tracks linking Myall Avenue with Walpole Place and Field Place. Access to properties will be maintained.

For your safety, please follow the detour route outlined in the map and the direction of the signs.

We apologise for any inconvenience this may cause and we appreciate the patience of residents, pedestrians and cyclists
