Intersection upgrade on Parramatta Road and Shaftesbury Road, Concord

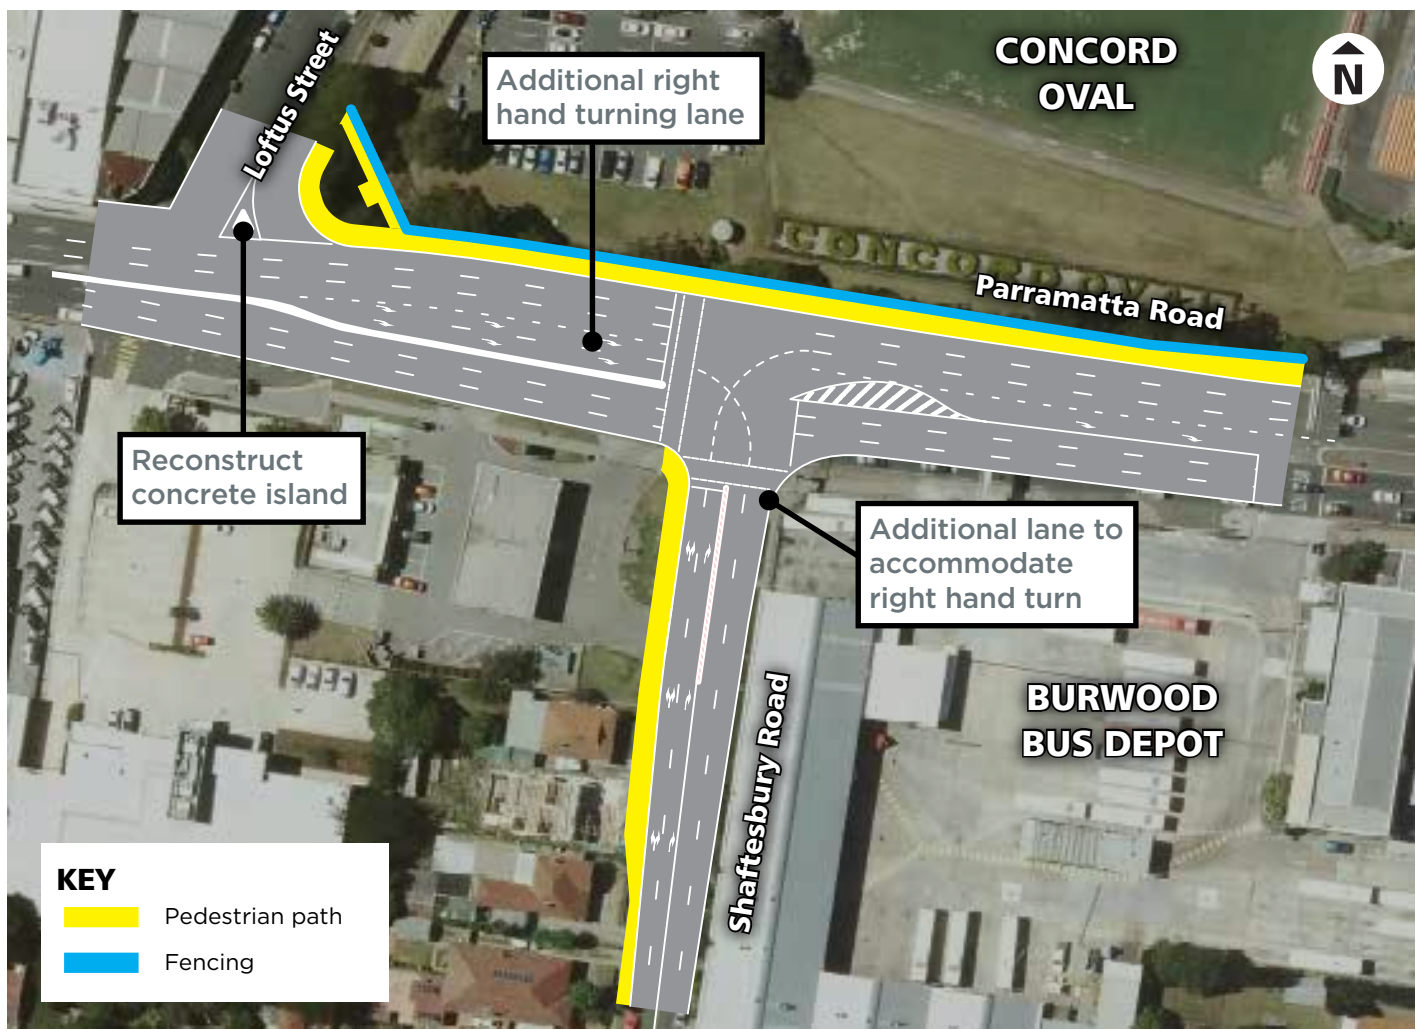

Project update | December 2020

Work is continuing on intersection improvements at Parramatta and Shaftesbury Roads, in Concord.

The upgrade will increase the number of vehicles able to clear the intersection with each traffic light phase and help reduce congestion eastbound on Parramatta Road. It involves widening the roadway adjacent Concord Oval to allow construction of a new right turn only lane on

Parramatta Road. An extra lane will also be constructed on Shaftesbury Road.

Work at the intersection is expected to be finished by **March 2021**.

Location of work at the intersection of Parramatta Road and Shaftesbury Road, Concord

The newly completed footpath on Parramatta Road outside Burwood Bus Depot

Work to date

- Completed 75 percent of the earthworks, removing about 2000 tonnes of material off site
- Relocated power, gas and telecommunications infrastructure
- Constructed new storm water drainage along Parramatta and Shaftesbury Roads
- Reconfigured the intersection's traffic signals

Next steps

In the coming month's we'll complete the construction of the new pavement, kerbs and gutters, and well as building a new concrete island on Loftus Street. We'll also complete resurfacing and line marking, as well as the landscaping along Parramatta Road, adjacent Concord Oval.

Work schedule

We'll work up to **six days** and **five nights a week** for the remainder of the project.

Our night work hours are **6pm to 7am, Sunday to Friday**. Occasionally we may need to work on Saturday nights to complete certain tasks at the intersection. Where possible, we'll notify local residents and businesses in advance of any Saturday night work. Our day work hours are **7am to 6pm, Monday to Friday** and **8am to 1pm Saturdays**.

We won't work on public holidays. The site will be closed between **Wednesday 23 December 2020** and **Monday 4 January 2021**. If you have any enquiries over this period please use the contact details below.

How will the work affect you?

Our work may be noisy at times, but we will do everything we can to minimise its impact, including completing the noisier activities, such as concrete cutting, chain sawing and jack-hammering, by midnight.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe. Please keep to speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call **132 701**, visit livetraffic.com or download the **Live Traffic NSW App**.

Contact us

To ensure we protect public health and safety during the Coronavirus outbreak, we need to change the way we consult with the community.

Please be assured we will continue to respond to any questions or concerns you may have about our work.

If you have any questions or would like more information on the project, please contact our contractor VBA on:
