Transport Access Program

Blacktown Station Upgrade

NIGHT WORKS

AUGUST 2017

Works for the Blacktown Station Upgrade are continuing. The project includes a new pedestrian footbridge connecting the Richmond Line concourse with the main concourse, a new lift and stairs connecting Platform 3 with the new footbridge, and new stairs and weather protection canopies to platforms 1 and 2.

To enable construction work to be undertaken safely and to minimise disruption to commuters and nearby residents, certain activities need to be undertaken at night. These night works include the installation of structural steel and roof canopies on the new concourse. Night works will occur at the following times:

- **6pm Monday 28 August to 5am Tuesday 29 August 2017**
- **6pm Tuesday 29 August 2017 to 5am Wednesday 30 August 2017**
- **6pm Wednesday 30 August to 5am Thursday 31 August 2017.**

The George Street T-way leading to the roundabout will be **CLOSED** to buses as a crane will be assembled to assist with the works.

Temporary changes to bus services

Diversion routes will be in place and buses will access the Blacktown bus interchange via Third Avenue. Signage will be installed to notify users of these changes.

The following changes to bus services will be in effect:

- **Stand L bus services 611 and 630 will be relocated to Stand H**
- **Stand K bus services 705 and 711 will be relocated to Stand H**
- **Hillsbus services 705 and 711 will be temporarily suspended from Devitt and Sackville T-way bus stops. To access services 705 and 711, please use the bus stop at Sackville Street before Peter Street.**

What might I notice?

You may notice workers on the main concourse, platforms, within the work compounds and the bus interchange. Where required, signage will be installed and traffic controllers will be on site to facilitate safe pedestrian and vehicle movements.

What equipment will be used?

The following equipment may be used during this period:

- Power and hand tools
- Mobile light towers
- Franna crane
- Traffic control vehicles
- Construction vehicles
- Portable generators
- Excavators
- Manitou forklift
- Elevated work platforms
- Cranes
- Semi-trailers
- Chainsaw / tree mulcher

Construction hours

All other work will continue to be carried out during standard construction hours which are **7am to 6pm Monday to Friday and 8am to 1pm Saturday**. The community will be notified of any works outside of these hours prior to the works commencing.

Every effort will be made to minimise the impact to commuters, nearby residents and businesses. We apologise for any inconvenience caused and thank you for your cooperation during these important works.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW **(02) 9200 0200**. The interpreter will then assist you with translation.
