

Transport Access Program

Croydon Station Upgrade

COMMUNITY NOTIFICATION

DECEMBER 2017

The Transport Access Program is a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern and integrated transport infrastructure.

The upgrade of Croydon Station is nearing completion, with only minor activities underway. New station facilities including new lifts and stairs were made available in September 2017.

Upcoming construction activities

Over the coming weeks, you may notice the following activities on site:

- landscaping activities
- continuation of footpath and kerb upgrades
- platform reinstatement works
- continuation of installation of glazing
- minor finishing works, including painting the external sections of the concourse, stairs and canopies
- services connection and installation of fire hydrant system at Paisley Road
- commencement of site demobilisation.

Weekend work - Saturday 2 December and Sunday 3 December 2017

Works are planned at Croydon Station from **6am to 6pm on Saturday 2 December and 7am to 6pm Sunday 3 December 2017** during a scheduled Sydney Trains rail shutdown weekend (for information on rail services and replacement bus services during the weekend, kindly contact the Transport Infoline on 131 500).

Key activities will include:

- painting the external façade of the concourse, stairs and canopies
- installation of garden bed on Platform 3/4
- removal of plant and materials from the rail corridor.

Station concourse closed

From **6am Saturday 2 December to 4am Monday 4 December 2017** the station concourse will be **CLOSED**. Access from one side of the station to the other will be via the western footpath on the bridge on Meta Street.

Temporary parking and traffic changes

From **6am Saturday 2 December to 6pm 3 December 2017**, approximately 5 parking spaces and the kiss and ride on the Paisley Road intersection with The Strand/Meta Street will be temporarily unavailable.

What equipment will be used?

The following equipment may be used during the construction period:

- excavator
- traffic controller vehicle
- elevated work platform
- construction vehicles
- generators
- power and hand tools

What might I notice?

You may notice workers within the rail corridor, on the station platforms and along the work sites on Hennessy Street and Paisley Road.

Traffic controllers will be on site and signage installed to ensure safe pedestrian and vehicle movements.

Every effort will be made to minimise the noise impact on nearby residents and businesses. We apologise for any inconvenience and thank you for your patience during this important work.

Standard construction hours

Work will continue during standard construction hours which are Monday to Friday 7am to 6pm and Saturday 8am to 1pm. Additional notification of any works outside of these hours will be provided to the community prior to those works commencing.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call the Transport Projects Division on **(02) 9200 0200**.
