# Transport Access Program

## Croydon Station Upgrade

COMMUNITY NOTIFICATION

OCTOBER 2017

Works are nearing completion for the Croydon Station Upgrade. The project includes the provision of two new lifts and stairs, a new pedestrian footbridge, improved shelter, new bicycle racks and upgrades to lighting and CCTV surveillance.

### New station facilities open to the public

As part of the staging works to complete the Croydon Station Upgrade, new station facilities were made available to the public on Sunday 24 September 2017. These included the commissioning of two new lifts and stairs, a new station concourse providing an undercover pedestrian link, a station office, a family accessible toilet, and the new station entrances on Paisley Road/The Strand and Hennessy Street. New Opal card readers are located on the station platforms.

## Upcoming construction activities:

Over the coming weeks, you may notice the following activities on site:

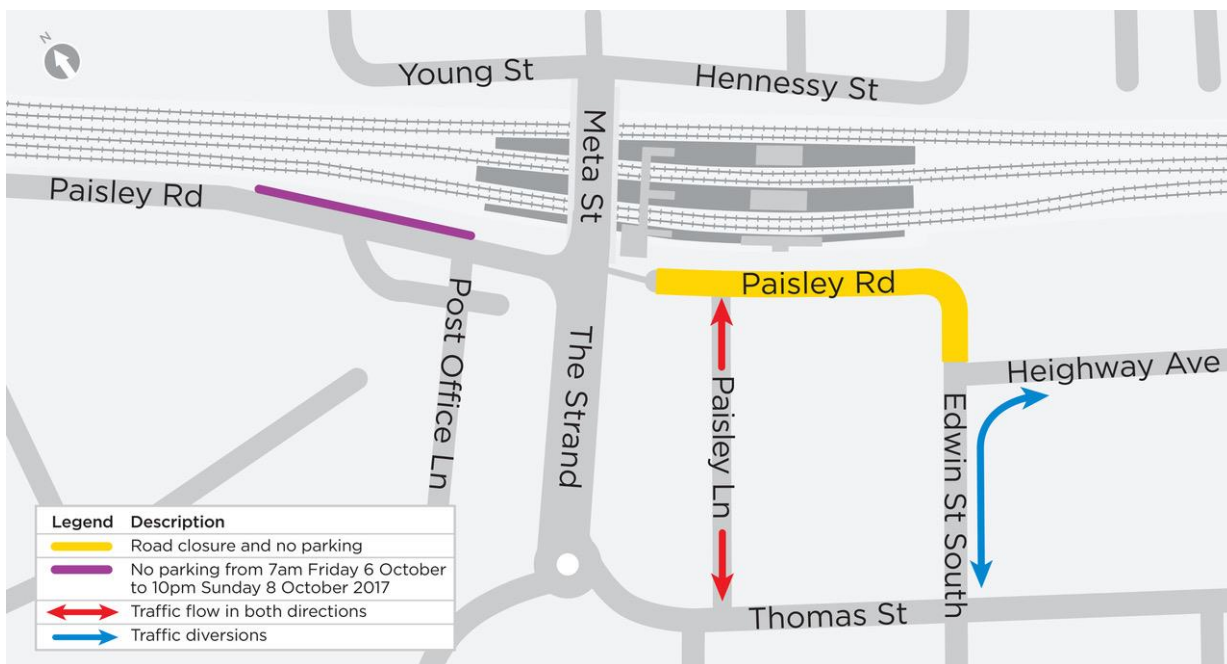

- removal of the temporary footbridge
- road, footpath and pavement upgrade works on Paisley Road
- finishing works including windows installation, roofing and painting
- platform reinstatement works
- installation of wayfinding signage.

## Upcoming weekend works

### Midnight Friday 6 October to 10pm Sunday 8 October 2017

Works will occur from **midnight Friday 6 October to 10pm Sunday 8 October 2017** during a scheduled Sydney Trains rail shutdown weekend (or information regarding rail services during the weekend, kindly contact the Transport Infoline on 131 500).

Key activities will include the **removal of the temporary footbridge adjacent to the Paisley Road intersection with Edwin Street South**, platform reinstatement works, and roofing and painting works on the new concourse and stairs. The map below outlines the traffic and parking changes during the weekend works.

To allow for a crane to be assembled and used safely, the following traffic and parking changes will be in place over the weekend:

- Paisley Road will be closed between Paisley Lane and Edwin Street South and Edwin Street South will be closed between Paisley Road and Heighway Avenue
- Traffic control will allow access via Paisley Lane in both directions, to enable business owners and residents to access their properties
- No parking on Paisley Road between Paisley Lane and Edwin Street South

- No parking on Edwin Street South between Paisley Road and Heighway Avenue.

From **7am Friday 6 October to 10pm Sunday 8 October 2017**, approximately **40 parking spaces** will be removed along Paisley Road (west).

Traffic diversions will be in place via Edwin Street South, Heighway Avenue and Thomas Street.

Pedestrian access through Paisley Road will be maintained at all times.

### **Saturday 14 October 2017 from 6am to 6pm**

Works will occur during a scheduled Sydney Trains rail shutdown weekend (for information regarding rail services during the weekend, kindly contact the Transport Infoline on 131 500).

Key activities will include services installation works on Platform 1/2. The workforce will access the rail corridor via the rail gate on Hennessy Street, at the intersection with Edwin Street North.

### **What might I notice?**

You may notice workers within the rail corridor, on the station platforms and on Paisley Road.

Equipment to be used will include cranes, semi-trailers, excavators, elevated work platforms, compactors, generators, light towers and hand and power tools.

### **Standard construction hours**

Work will continue during standard construction hours which are **Monday to Friday 7am to 6pm and Saturday 8am to 1pm**. Additional notification of any works outside of these hours will be provided to the community prior to those works commencing. Every effort will be made to minimise the noise impact on nearby residents and businesses. We apologise for any inconvenience and thank you for your patience during this important work.
