

Transport Access Program

Banksia Station Upgrade

Project Update

November 2021

Transport for NSW is improving accessibility at Banksia Station.

The upgrade will provide a station precinct that is accessible to people with a disability or limited mobility, parents/carers with prams and customers with luggage.

Upcoming work

Work is nearing completion and in November includes:

- reopening of the toilets on platforms 2 and 3
- finishing building works throughout the station areas
- lift opening
- site clearing and demobilisation
- defects rectification.

Equipment to be used includes cranes, tipper trucks, delivery trucks, excavators, vacuum truck, powered hand tools, ground compaction equipment and concrete trucks.

These works are in line with the current Public Health Orders and a COVID-19 Safe plan is in place, including masks and QR codes.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

For the safety of staff, customers and the community some work may be completed outside standard construction hours.

Nearby residents and businesses will be notified before any work outside these hours takes place.
