

# Transport Access Program

## Banksia Station Upgrade

**Out of Hours Work**

**February 2021**

Transport for NSW is improving accessibility at Banksia Station. The upgrade will provide a station precinct that is accessible to people with a disability or limited mobility, parents/carers with prams, and customers with luggage.

### Out of Hours Work – 15-17 February

For the safety of our workers, pedestrians and rail passengers, out of hours work will take place between **6pm to 6am** on **Monday 15 February, Tuesday 16 February, and Wednesday 17 February.**

Activities will include installing the formwork, steel and fixings for Lift 2 walls and preparing for concrete pouring (to take place during standard work hours). All work activities will take place **within the pedestrian underpass.**

Equipment to be used includes powered hand tools.

### Location Map

For more information call **1800 684 490**,

Email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au) or visit [transport.nsw.gov.au/banksia](http://transport.nsw.gov.au/banksia)

## Community impact

As the work will take place within the underpass, the noise impact will be minimal. However, additional measures to reduce noise will be implemented, such as turning of machinery and equipment when not in use, monitoring noise, and using acoustic barriers, if required.

During this period, the station pedestrian underpass will **remain open**. Pedestrian access will be maintained throughout the work.

As work will take place in the underpass, no additional lighting will be required, and there is expected to be minimal impact on the community.

We thank you for your patience during this important work.

## Keep in touch

We will continue to keep the community informed with regular project notifications and frequent online updates published to the project website [www.transport.nsw.gov.au/banksia](http://www.transport.nsw.gov.au/banksia).

If you would like to be added to the project distribution list, or for more information about the Banksia Station Upgrade, please contact us on 1800 684 490 or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au). For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on 1800 775 465.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
