

Transport Access Program

Blackheath Station

Community notification

September to December 2021

Artist's impression of Blackheath Station Upgrade, subject to detailed design.

The NSW Government is improving accessibility at Blackheath Station

Work to improve accessibility and safety for all customers at Blackheath station is one step closer, with Areco awarded the contract to carry out the upgrade of one of the state's oldest railway stations

The Transport Access Program is a Transport for NSW initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

As part of this program, Blackheath Station will be upgraded to provide an accessible station for people with a disability, limited mobility, parents/carers with prams and customers with luggage. The upgrade will include:

- three new lifts to station entries and platforms
- new accessible parking spaces, and provision of additional parking spaces in the commuter carpark
- upgrades to the kiss and ride bay and taxi zone
- removal of the non-compliant pedestrian level crossing
- upgrades to station footpaths and platforms, including new tactiles and an accessible water fountain

For more information call **1800 684 490**,
Email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/projects-tap
For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

- improvements to CCTV, lighting and wayfinding
- upgrades to the station footbridge and stairs
- provision of new bicycle hoops.

Project status

Investigations are currently underway to further develop the detailed design for Blackheath Station to make it more accessible for all customers.

Next steps

A Review of Environmental Factors will be prepared for public display in early 2022 and further feedback will be invited on the design.

To help inform the design, site investigations will take place in and around the station precinct from **September 2021** and will continue until **January 2022**.

Investigations will include location of underground services, geotechnical investigations and surveys of the platform, station buildings and surrounding areas.

This work will take place during standard construction hours, which are **7am to 6pm Mondays to Fridays and Saturdays 8am to 1pm**.

Keep in touch

We will continue to keep the community informed with regular project updates.

Further information is available on the project website transport.nsw.gov.au/blackheath.

If you would like to be added to the project distribution list, or for more information on the Blackheath Station Upgrade, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.
