

Clarendon Station Upgrade

Community Notification – September 2022

Transport for NSW is upgrading Clarendon Station to make it easier for everyone to access public transport, including people with a disability or limited mobility, parents/carers with prams and customers with luggage.

Clarendon Station Upgrade site sheds

Upcoming work

Work activities for September will include:

- installation of structural steel and roofing on widened sections of platform
- upgrades to the existing toilet building and utility services
- relocation of light poles to the back of the platforms
- installation of wayfinding signage

The existing unisex toilet will remain open during upgrades to the toilet building.

Equipment to be used includes trucks, elevated work platforms, lifting aids, power and hand tools.

Upcoming weekend work

Work will be carried out from 6am to 6pm on Saturday 27 and Sunday 28 August 2022 during a scheduled Sydney Trains trackwork period, when trains are not running. The existing ramp to Platform 2 will be upgraded to meet compliance during this period.

There will be no access to the station during the trackwork weekend. For information about rail replacement buses, please visit transportnsw.info or phone 131 500.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday and 8am to 1pm on Saturdays.**

For the safety of staff, customers and the community, some work may be completed outside standard construction hours. We will notify nearby residents and businesses in advance if we need to work outside these times.

Keep in touch

We will continue to keep the community informed with regular project updates.

Further information is available on the project website transport.nsw.gov.au/clarendon-station-upgrade.

If you would like to be added to the project distribution list, or for more information on the Clarendon Station Upgrade, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au.

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

Translating and interpreting service

If you need help understanding this information, please contact the Translating and Interpreting Service on **131 450** and ask them to call us on **1800 775 465**.
