

## Clarendon Station Upgrade

### Community Notification – July 2022

Transport for NSW is upgrading Clarendon Station to make it easier for everyone to access public transport, including people with a disability or limited mobility, parents/carers with prams and customers with luggage.

Key features of the upgrade will include:

- two new accessible parking spaces on Racecourse Road
- upgrades to station footpaths, ramps and platforms, including new tactiles
- new seating with widened platform at the Boarding Assistance Zones
- modifications to existing waiting areas to improve accessibility
- a new family accessible toilet and an upgraded ambulant toilet
- new bicycle hoops
- improvements to CCTV, lighting and wayfinding

### Upcoming work

Site establishment for the project is complete and construction will continue in July 2022. Work will include:

- excavation and concrete work along the back of the platforms
- upgrades to the existing toilet building and services
- concrete work and asphaltting on the southern side of Racecourse Road near the entry to Hawkesbury Race Club.

Access to Hawkesbury Race Club will be maintained at all times.

Equipment to be used includes generators, excavators, rollers, trucks, concrete pumps, jack hammers and hand tools.

### Construction hours

Standard construction hours are **7am to 6pm Monday to Friday and 8am to 1pm on Saturdays**.

For the safety of staff, customers and the community, some work will be completed outside standard construction hours. We will notify nearby residents and businesses in advance when we need to work outside these times.

## Keeping in touch

We will continue to keep the community informed with regular project updates.
